UGA Certificate of Finances for F-1 visas
&
Supplemental Education Form

The University of Georgia
 Terrell Hall
 Athens, Georgia
 30602-1633 USA

The University of Georgia requires a statement of finances from students requiring an **F-1** visa for their studies. This may include, but is not limited to those students who are **not** citizens of the United States or in the process of becoming legal permanent residents.

*** Students currently studying of an F-2 visa MUST change to an F-1 visa to study at the university level. ***

This certificate, and the required supporting bank statements or documents, must be on file before an I-20 can be issued. Please complete the financial statement on page 3 of this application and attach original or certified and current bank statement(s). **In order to be considered for admission, please include these materials by the deadline for the Application for Admission.** If your source of financial support is from personal or family funds, you **must** attach **an original or certified and current bank statement(s)**. If the cost of your education is being assumed by a sponsor, they must provide **an original or certified and current bank statement(s)** showing the availability of funds. **Also include a photocopy of the first page of your passport.**

Two original sets of the supporting financial documents should be obtained. One set should be attached to the form and will become part of your permanent file. The other set should be used to present to the U.S. Embassy or Consulate. ***Neither photocopies nor faxes are acceptable forms of verification. All financial information must be dated less than one year prior to the first day of classes of the term in which you intend to begin your studies.***

The Supplemental Education Form on page 4 is required to provide the Office of Undergraduate Admissions a more accurate picture of your educational background before you applied to the University of Georgia.
